

AERIAL WIRE ROPE KITS

Maintenance Kits

Achieve Optimum Productivity Through Proper Boom Maintenance

JLG is the source for reliable and factory-approved parts for your aerial work platform. When it's time to perform maintenance on your machine, JLG makes identifying and ordering parts a snap with convenient service kits.

Aerial wire rope kits are:

- Complete with all ropes, sheaves, sheave pins and required hardware
- Model specific with serial number breaks as applicable
- Great for boom reconditioning or OSHA required replacement
