## Hotel and Training Center Information

- For hotel information go to the JLG University home page at [jlg.jlg.com](http://jlg.jlg.com). At the top of the page select Training Information. In the drop-down box select Training Locations.

The screenshot shows the JLG University website interface. At the top, the navigation bar includes 'HOME', 'TRAINING INFORMATION', 'CONTACT', 'JLG.COM', and 'ENGLISH (EN)'. A dropdown menu under 'TRAINING INFORMATION' is open, showing 'Course Descriptions', 'Training Schedule', and 'Training Locations'. Below the navigation is a banner for 'JLG SERVICE TRAINING' with a 'LEARN MORE' button. The main content area features three columns: 'COURSE LISTINGS' with a 'VIEW COURSES' button, 'TRAINING CONTACTS' with a 'CONTACT US' button, and 'VIDEO LIBRARY' with a 'WATCH VIDEOS' button. A large, faint silhouette of a forklift is visible in the background.

## PLEASE READ THE FOLLOWING TRAIN-THE-TRAINER PROGRAM DESCRIPTION BEFORE ENROLLING

JLG now offers four separate programs:

- Mobile Elevating Work Platform (MEWP) and Telehandler Train-The-Trainer **BLENDED** Program
- Mobile Elevating Work Platform (MEWP) and Telehandler Train-The-Trainer **CLASSROOM ONLY** Program
- Mobile Elevating Work Platform (MEWP) Train-The-Trainer **CLASSROOM ONLY** Program
- Telehandler Train-The-Trainer **CLASSROOM ONLY** Program

### Mobile Elevating Work Platform (MEWP) and Telehandler Train-The-Trainer BLENDED Program

The Mobile Elevating Work Platform (MEWP) and Telehandler Train-The-Trainer **BLENDED** Program consists of an instructor led classroom session and instructor facilitated online pre-classroom work. This blended program qualifies successful participants to teach the JLG MEWP Operator Training Program and the JLG Telehandler Operator Training Program.

The Mobile Elevating Work Platform (MEWP) and Telehandler **BLENDED** Program consists of four weeks of online class work followed by a 3-day classroom session in McConnellsburg, PA. The primary topics covered during the course are:

- Week 1 – Online Pre-course work: Fundamentals of Training – Training and Evaluation Techniques, Presentation Skills
- Week 2 – Online Pre-course work: Mobile Elevating Work Platform (MEWP) – Operator E-Learning, Regulations & Standards, MEWP Selection
- Week 3 – Online Pre-course work: Telehandlers – Operator E-Learning, Regulations & Standards, Telehandler Selection
- Week 4 – Online Pre-course work: Make Up Time – Participants use this week to finish any incomplete assignments
- Week 5 – Classroom and Hands-on: Three-day classroom session in McConnellsburg, PA – Operator evaluation, Training Skills, Hands-on operation
- Participants will spend about 6 hours per week during the first 3 weeks of online sessions; week 4 should require little or no time from participants. **Participants that do not complete the online assignments will not pass the program!**
- To enroll in the Mobile Elevating Work Platform (MEWP) and Telehandler Train-The-Trainer BLENDED Program, choose the date of the classroom session you want to attend from the schedule, and then go to JLG University (JLGU) at [jlu.jlg.com](http://jlu.jlg.com) to enroll. Enrolling in the classroom session automatically enrolls you in the online pre-classroom sessions, which starts four weeks prior to the classroom session. The dates for the online sessions are listed next to the classroom dates. The instructor will notify you by e-mail when the online sessions are open and ready to start.
