Regrettably course cancellations and changes can occur for various reasons. All reasonable attempts will be made to conduct the courses as scheduled. However, in the event a class must be cancelled, customers will be notified 14 days prior to the class start date whenever possible. Regrettably, JLG cannot be responsible for any incurred expenses due to course cancellations, so please plan your travel accordingly.

To inquire about training not listed here or model-specific training at your location,
Please contact JLG Training at 877-554-5438

To enroll in any of these classes, please go to JLG University at jlg.u.jlg.com.

PLEASE READ THE FOLLOWING TRAIN-THE-TRAINER PROGRAM DESCRIPTION BEFORE ENROLLING

JLG completely updated our Train-The-Trainer program in 2015. JLG now offers three separate programs:

- Aerial Work Platform and Telehandler Train-The-Trainer **BLENDED** Program
- Aerial Work Platform Train-The-Trainer **CLASSROOM ONLY** Program
- Telehandler Train-The-Trainer **CLASSROOM ONLY** Program

Aerial Work Platform and Telehandler Train-The-Trainer BLENDED Program

The Aerial Work Platform and Telehandler Train-The-Trainer **BLENDED** program consists of a three-day instructor led classroom session and instructor facilitated online pre-classroom work. This blended program qualifies successful participants to teach the JLG AWP Operator Training Program and the JLG Telehandler Operator Training program.

The Aerial Work Platform and Telehandler **BLENDED** program consists of four weeks of online class work followed by a three-day classroom session in McConnellsburg, PA. The primary topics covered during the program include:

- Week 1 – Online Pre-course work: Fundamentals of Training – Training and Evaluation Techniques, Presentation Skills
- Week 2 – Online Pre-course work: Aerial Work Platforms – Operator E-Learning, Regulations & Standards, AWP Selection
- Week 3 – Online Pre-course work: Telehandlers – Operator E-Learning, Regulations & Standards, Telehandler Selection
- Week 4 – Online Pre-course work: Make Up Time – Participants use this week to finish any incomplete assignments
- Week 5 – Classroom and Hands-on: Three day classroom session in McConnellsburg, PA – Operator evaluation, Training Skills, Hands-on operation
- Participants will spend about 6 hours per week during the first 3 weeks of online sessions; week 4 should require little or no time from participants. **Participants that do not complete the online assignments will not pass the program!**
- To enroll in the Aerial Work Platform and Telehandler Train-The-Trainer BLENDED Program, choose the date of the classroom session you want to attend from the schedule on page 4, and then go to JLG University (JLGU) at jlg.u.jlg.com to enroll. Enrolling in the classroom session automatically enrolls you in the online pre-classroom sessions, which starts four weeks prior to the classroom session. The dates for the online sessions are listed next to the classroom dates on page 4. The instructor will notify you by e-mail when the online sessions are open and ready to start.

Please review details about our BLENDED Train-The-Trainer program at JLG.com/training/train-the-trainer-program.

HOTEL AND TRAINING CENTER INFORMATION

- For hotel information go to the JLG University home page at jlguniversity.com. At the top of the page select Training Information. In the drop down box select Training Locations.

The screenshot displays the JLG University website interface. At the top, the navigation bar includes 'HOME', 'TRAINING INFORMATION' (with a dropdown arrow), 'CONTACT', 'JLG.COM', and 'ENGLISH (EN)'. A notification banner states 'YOU ARE NOT LOGGED IN. (LOG IN/REGISTER)'. The main banner features the JLG UNIVERSITY logo and the text: 'With industry-leading courses and highly qualified instructors, JLG University offers the training you need, when you need it.' Below this is a 'LEARN MORE' button. The 'TRAINING INFORMATION' dropdown menu is open, showing 'Course Descriptions', 'Training Schedule', and 'Training Locations'. The background image shows a JLG scissor lift on a grassy area. Below the banner are three service tiles: 'COURSE LISTINGS' with a building icon, 'TRAINING CONTACTS' with a phone icon, and 'VIDEO LIBRARY' with a video camera icon. Each tile includes a brief description and a corresponding button ('VIEW COURSES', 'CONTACT US', 'WATCH VIDEOS'). At the bottom, there is a 'Course Listings' link on the left and a 'Welcome to JLG University' section with introductory text on the right.
