

New Tool Tray Available for Low-Level Access Lifts

Features & Specifications

Designed to enhance efficiency and productivity, the new tool tray provides workers a way to tether tools when working at height. The tray's slatted design allows for tools to be securely tethered to the tray, while providing a heavy-duty surface for materials.

Specifications:

- Four large tool tether anchor points to secure tools
- Heavy-duty steel construction
- 18 in. x 22 in.
- 33 lb. capacity
- Lip around the tray helps keep materials in place
- Part number: 1001249314
- Compatible with models EcoLift 50, EcoLift 70 & 830P
