## REMAN PARTS

### Save Time and Money with JLG Reman Programs

JLG® offers a low cost alternative by providing factory approved remanufactured starters and alternators. Due to the complexity of these components, JLG will utilize high quality remanufacturing processes. These components will be remanufactured using original parts and will be tested using the highest quality equipment.

#### Features and Benefits Include:

- Remanufactured to JLG O.E. Specs
- Not offered by local rebuilders
- One year warranty
- Economical cost
- Units tested for torque, correct drain, and engagement voltage performance; Current oscilloscope tested.
- Environmentally friendly
- Order with other parts orders
