

BOOM FABRIC PLATFORM MESH KITS ACCESSORIES

Safely Keep Contents Inside The Platform

Boom Fabric Platform Mesh Kits from JLG® help to retain tools and other items inside the basket. The easy to attach, lightweight mesh provides operators with a clear view of the work area and permits air flow through the basket.

Features and Benefits Include:

- Available in full and half mesh
- Weighs less than 20 lbs.
- Flame retardant
- No drilling or welding required
- No platform control interference
