

# REINZOSIL® SILICONE SEALANT SUPPLIES

## Durable. Flexible. Versatile.

Reinzosil® is a permanently elastic, universal silicone sealing compound with excellent resistance to fluids and extreme temperatures. Its durability, flexibility, and versatility make it a favorite RTV (Room Temperature Vulcanizing) among repair specialists. Reinzosil is now available in 70ml tubes, 200ml Aerosol Cans, and 310ml Cartridges.

## Features and Benefits Include:

- Compatible with all types of motors and vehicles
- Apply to metal, plastic, rubber, and vinyl
- Fast and easy application
- Resistant to temps from -58°F to 482°F and briefly up to 608°F
- Effectively seal gaps up to 0.15mm
- Conforms to any surface shape
- Does not shrink when exposed to high temps like the competition does
- Use on covers, manifolds, pumps, gearboxes, pans, housings, even windshields

| Description                                      | JLG Part Number |
|--|-----------------|
| Reinzosil Universal RTV Silicone 70ml Tube       | 70400136        |
| Reinzosil Universal RTV Silicone 200ml Aerosol   | 70014187        |
| Reinzosil Universal RTV Silicone 310ml Cartridge | 70014188        |
