

TSL-2000

SCISSOR LIFT TRAILER

The JLG® TSL-2000 is designed and built in Australia by JLG Industries. Backed by the engineering expertise and innovation of a world-leading equipment manufacturer, the TSL-2000 scissor trailer from JLG offers the best combination of productivity, quality and value. It's built to carry the JLG ES1932, R1932, AE1932, ES1330L, ES1530L, 1930ES, R6 and 1932R scissor lifts without the need for electric brakes.
