

CONSOLE COVER

ACCESSORIES

Protect Your Controls While Keeping Them Visible

Take care of the equipment that takes care of you. The control box is one of the most important components of your JLG boom lift. Protect it from the harmful elements with the help of the Console Cover.

The Console Cover now includes a new overlay system to prolong the life of your cover. The overlay consists of 4 clear, durable plastic layers. Simply peel a layer off as scratches and/or dirt accumulates, to produce an unobstructed view of your controls.

Features and Benefits Include:

- Extends the life of the console
- Maintains clear visibility
- Easy to install and simple to maintain
 - Four layers to peel off
- Year round durability
