ACCESSORIES

Protect Your Scissor Lift From The Elements

Protect your investment with the help of a high-durability, water-resistant cover from JLG. These quality covers help to reduce the damage caused by exposure to precipitation, sun and dust.

Ideal for outdoor storage, machine covers help reduce maintenance costs when cover is installed correctly during times when machine is not in use. Manufactured in the US with superior quality materials and workship, these covers are designed for a long service life.

Scissor machine covers offer the following features and benefits:

- Custom made and model specific for a perfect fit
- Heavy duty construction
- Platform covers have sewn-in water drain holes
- Quick and easy installation and removal with no tools required
- Velcro or zipper closures help to keep cover safely in place
- One year limited warranty
