

# SPEED LIMITING SHIFTER KITS

## ACCESSORIES

### Limit Telehandler Speed On The Jobsite

Due to the increasing amount of job sites with speed restrictions, JLG has developed a speed limiting shifter kit. This kit eliminates the option of fourth gear for the operator. The kit can also be transferred from machine to machine.

#### Features and Benefits Include:

- Designed for use in areas with speed restrictions.
- Available for different telehandler models.
- Disables operator use of fourth gear.
- Kits include instructions and all required hardware.
