

DIRECT-SHIP FILTER PROGRAMS

DONALDSON FILTERS

One-Stop Shop for All Filter Needs

Proper filtration is vital to the life of any machine. This includes the car or truck you drive to work or the boom lift you operate when you get there. Filters face harsh conditions and must be changed regularly. If not, cost of ownership can increase, lowering profits. With this in mind, JLG® and Donaldson Filtration offer a direct-ship filter program that is designed to handle all of your filter needs.

Donaldson Filtration has long been an industry leader in filtration products, and offers a vast selection of high-quality filters for automotive, manufacturing, mining, and construction equipment. The JLG direct-ship program makes it easy to keep adequate inventory on hand by offering a broad range of filters from one supplier at a very competitive price.

Order easily using Donaldson part number and take advantage of:

- Ordering with regular JLG parts requisitions
- Single sourcing filters to fit all makes and models
- Competitive pricing
- Industry-leading filtration quality

Minimum order of \$50.00
