

SEVCON POWERPAK

REMAN PARTS

Save Time and Money with JLG Reman Programs

JLG offers an extensive line of remanufacturing programs, including the Sevcon Powerpak. The powerpak is used on JLG scissor models 3369LE and 4069LE. Purchasing a reman part can save you up to 72% on a priority order.

Features and Benefits:

- No additional core charge
- Lower cost alternative to buying new
- JLG approved, using original components
- One year warranty
- Easy ordering via Online Express

JLG Part Number
1600421EX

JLG also offers reman engines, rotators, swivels, ZF axles, controllers, control modules, Delta-q battery chargers and more! Visit Online Express for more information on reman programs.
