

SMART SYSTEM CONTROLLERS

REMAN PARTS

Save Time and Money with JLG Reman Programs

JLG has expanded its remanufacturing offering for electrical controllers used on its electric aerial work platforms. In addition to these, JLG offers a selection of joystick and other electrical components under the reman program.

Features and Benefits:

- Remanufacturing of original JLG parts assures quality
- One year warranty
- Competitive pricing
- Exclusive factory authorized rebuild program
- Repair and return option also available
