Save Time and Money with JLG Reman Programs

JLG Reman presents: ZF Reman Axles Program. This program offers the customer a lower cost alternative to purchasing new ZF axles, as well as an increased warranty life. All ZF axles in the program are remanufactured to current OE standards using ONLY original components in order to ensure the utmost quality.

Features and Benefits:

- Savings up to 50% off when compared to new units
- 1 year or 1,500 hours warranty (whichever occurs first)
- Eliminates investment in training, specialized tooling and test equipment at customer's facility
- All seals and gaskets are fully replaced
- Units tested to latest factory test specifications and painted (primer)
- Free one way shipping for Reman axles (customer responsible for returning core)
- Environmentally friendly: Reuse of cores eliminates waste
- Repair and Return available on all ZF Axles (regardless of make/model) - More info can be requested by reaching out to reman@jlg.com
