## CONVENIENT CONNECTOR KITS

When it comes to connector repairs, JLG has you covered. When you discover a damaged connector, we place what you need at your fingertips. Introducing five new connector kits to fill your needs: Tyco, Deutsch DT, Deutsch HD, Delphi, and a Miscellaneous kit that includes those common items not included in the four other kits.

### Features and Benefits Include:

- Individual kits tailored to brand specific connectors depending on your application
- Each kit includes the most popular connectors and terminals used on JLG® equipment
- Suitable for service truck or shop use
- Reduced cost by purchasing a kit over individual components
- Can be used to service other brands of equipment
- Replacement items available separately
