

DAKOTA SHINE

Paint Restoration | Cement and Slurry Remover

Restore Shine and Remove Build Up

JLG offers a full line of Dakota Shine Paint Restoration and Cement and Slurry Remover products to maintain a like-new appearance.

Dakota Shine Paint Restoration features:

- Effective and efficient way to extend the life of faded or oxidized surfaces
- Less costly to apply than paint
- Penetrates the surface so there are no over spray lines to buff
- Keeps resale values higher with surface appearance
- No mixing required for less waste and no disposal requirements
