

INCREASE RELIABILITY WITH LOCTITE® PRODUCTS

As the world's leading brand of adhesives and sealants, Loctite provides a wide variety of products to help maximize uptime of your equipment.

FEATURES AND BENEFITS:

- Locks mating threads to prevent loosening from vibration & shock
- Reduces corrosion
- Seals against fluids

Add to your parts order today!

PART NUMBER	NAME	SIZE	DESCRIPTION
100003	LOCTITE 277 Threadlocker	250-ml	High Strength - Locks fasteners up to 1 1/2 in.
100010	LOCTITE 493 Instant Adhesive	1-oz	General Purpose Cyanoacrylate adhesive suited to bond metal substrates
100015	LOCTITE (Green) 601	50-ml	High strength, low viscosity, small gaps retainer.
100019	LOCTITE 271 Threadlocker	250-ml	High Strength - Locks fasteners up to 1 in.
100020	LOCTITE 567 Thread Sealant	50-ml	General Purpose instant Sealer, High Temperature (4000 F)
100021	LOCTITE 7649 Primer	4.5-oz	Decreases Loctite set up time, allows cold weather application.
100035	ADHESIVE, Locking Compound 222	50-ml	Low Strength / Small Screw 1/4 in. or smaller
100038	ADHESIVE, Primer 7471	4.5-oz	Decreases Loctite set up time, allows cold weather application.
100039	LOCTITE 411 (Prism)	.70-oz	High viscosity, clear, one part, room temperature cure
100060	LOCTITE 33201	25-ml	Structural Adhesive, Severe Environment (high temp.) 2 step, yellow adhesive.
100062	LOCTITE RC 680	50-ml	High Strength, high viscosity room temperature adhesive, joins cylindrical parts.
100063	LOCTITE 609 Retaining Compound	250-ml	Low viscosity, rapid curing anaerobic adhesive, assemblies up to .006" diameter.
100075	LOCTITE 545 Thread Sealant	50-ml	Hydraulic / Pneumatic fittings no clogging suitable up to 2" fittings
100081	LOCTITE 454 Adhesive	.70-oz	For difficult to bond materials (wood, paper, leather, and fabric).
1001095650	LOCTITE 243 Threadlocker	50-ml	Inactive metals (don't rust) / Medium Strength
3020039	LUBE, LOCTITE 51049 Moly Paste	16-oz	Metal-free, low friction lubricant. Up to 7500 F
70000102	LOCTITE 272 Threadlocker	50-ml	High Strength/High Temperature up to 1 1/2 in.
7002824	LOCTITE 271 Threadlocker	10-ml	High Strength - Locks fasteners up to 1 in.
7002825	LOCTITE 242 "Blue" Removable	10-ml	Medium strength 1/4" to 3/4"
7027876	SILICONE RTV 587 Blue Gasket Maker	300-ml	Non-corrosive, low volatility / fills gaps to 0.010"
7027877	RTV 598 BLK Silicone Preto	300-ml	High flexibility and oil resistance, resistant to most chemicals, fills gaps to .25"
7027891	LOCTITE 277 Threadlocker	50-ml	High Strength - Locks fasteners up to 1 1/2 in.
7027905	RETAINING Compound 661	250-ml	High Strength, low viscosity, also UV - curing retainer
7027906	PST THREAD SEALANT 567	250-ml	General Purpose instant Sealer, High Temperature (4000 F)
7027907	PST THREAD SEALANT 565	250-ml	General purpose Thread Sealant
8526052	LOCTITE 277 Threadlocker	10-ml	High Strength - Locks fasteners up to 1 1/2 in.
8526056	LOCTITE 518 GasketEliminator Flange Sealant	10-oz	Flexible, solvent-resistant seal, up to 3000 F & fills gaps to .05"
