

# LIGHTNING™ II NON-MARKING TIRES

## NEW LIGHTNING™ II NON-MARKING TIRES NOW AVAILABLE

The Lightning™ II Non-Marking tire introduces a new tread design developed specifically for telehandlers and is now available for JLG® and SkyTrak® models. The new design offers excellent wearing characteristics while providing protection against the marking of sensitive surfaces.

### Features and Benefits Include:

- Available in air or foam filled
- Non-directional tread requires fewer assemblies
- Center bar for increased wear performance on abrasive surfaces
- Reinforced carcass to protect from base lug cracking or “shadowing”
- Reinforced sidewall to protect from impact or puncture damage
- Angled side tread lugs for optimal traction in off-road conditions
