

ALLFLEET GENIE® ROTATORS REMAN

REMAN GENIE ROTATORS

Save time and money by purchasing remanufactured Genie Rotators. All hydraulic rotators go through JLG's comprehensive remanufacturing process, including core identification, disassembly, cleaning, reclaim, assembly, and full testing. The goal is to reuse the core housings, pistons, shafts, and end caps. All others parts are replaced, including seals, o-rings and bushings.

FEATURES AND BENEFITS:

- Savings up to 50% off compared to new units
- 100% replacement on seals, o-rings and bushings
- Warranty for 1-year or 1,500-hrs (whichever occurs first)
- Units tested to latest factory specifications and painted (Genie Blue)
- Core Return shipping covered by JLG (UPS ARS Return Label)
- Environmentally friendly: Reused cores eliminate waste
