

AERIAL CHAIN KITS & CHAIN ADJUSTER KITS

SERVICE KITS

CONVENIENT KITS FOR MAINTENANCE

When your machine needs maintenance, JLG is your only true source of reliable and factory-approved parts. Our service kits are set up to help you identify the correct parts for the JLG equipment in your fleet. Proper boom maintenance will help you achieve optimum productivity with your equipment.

Features and Benefits Include:

- Model specific for easy ordering
- Chain kits contain chains, sheaves, sheave pins and required hardware
- Adjuster kits contain chain adjuster assemblies and chain extension rod assemblies
- Great for boom reconditioning or required replacement
