

# CAT TELEHANDLER DURAFORCE® MH TIRE ASSEMBLIES

## Duraforce MH Tire Assemblies For Your CAT Telehandler

Take your telehandler to the next level by equipping your JLG Industries, Inc. manufactured CAT® branded telehandler with uniquely designed Firestone DuraForce® MH tires for a variety of benefits.

### Features and Benefits Include:

- Lasts up to 3X longer than Firestone SGG
- Improved sidewall protection
- Increased tire-to-surface ratio
- Non-directional tread
- Requires less urethane fill
- Reduced vertical deflection
- Improved floatation

TL1055	JLG Built Telehandlers Only	91403193 Nut with Free Spinning Washer	40	Originally Equipped
TL1255	JLG Built Telehandlers Only	91403193 Nut with Free Spinning Washer	40	Originally Equipped

### NOTES:

- Firestone DuraForce MH tire assemblies are available for telehandlers that have been built by JLG Industries, Inc. and have an authentic JLG serial number plate installed.
- Proper torque of the wheel nuts is critical to ensure optimal performance and to mitigate premature wear when installing a DuraForce MH tire assembly. Always following proper wheel nut tightening sequence and torque values as outlined in the JLG Service Manual per machine model number.
