

SELF-CLOSING GATES

ACCESSORIES

Convenient Platform Access

Self-closing gates from JLG allow for safe, convenient access to your scissor platform. A simple solution for operators who need to carry tools or supplies into the platform to ensure they are automatically enclosed in the basket.

Features and Benefits Include:

- Upgrade for job sites requiring gates
- Protection from vulnerable openings
- Installs easily
- Sturdy and durable
- Spring loaded
- Convenient single part number kit
