

BATTERY WATERING SYSTEM

ACCESSORIES

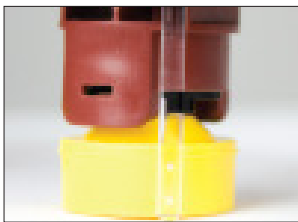

Faster, Simpler Battery Maintenance

Battery maintenance helps improve the life of your battery, but can be time-consuming and messy. A Trojan Hydrolink™ Battery Watering System from JLG offers a simple, faster, and cleaner option for battery watering. This cost effective solution is able to water a complete set of batteries in less than 30 seconds.

Features and Benefits:

- Reduces Acid Spills
- Independent water level indicator
- Internal and external flame arrestors
- Compatible with 6, 8 and 12 volt Trojan batteries

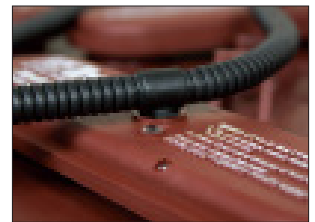

Water Level Indicator
