ULTRA-COMPACT TELEHANDLER ATTACHMENTS

JLG's ultra compact telehandler is small like a skid steer but has the productive capability of a telehandler. Not only can it go where you go, but it has a variety of available attachments to support the specific needs of your jobsite.

Features

- Ideal for confined spaces
- Highly maneuverable
- Excellent Reach
- Rear-wheel steering for less ground disturbance
- Light weight for easy transportation
- Optional universal skid steer coupler
