

MaxTrax™

MaxQuip™

MAXimize Your Money. MAXimize Your Time.

MaxQuip™ by JLG® is now offering MaxTrax™ Rubber Tracks. Designed with compact loader and mini excavator fleets in mind, MaxTrax offers great pricing, convenient ordering, and undeniable quality to fit a variety of machines. MAXimize your cost per hour savings with durable, reliable rubber tracks from MaxTrax.

THE MAXTRAX DIFFERENCE

- **Direct Ship Program**

 - Locations in continental US and Canada

- **Convenient Ordering:** through Online Express, you can combine track orders with any other JLG or MaxQuip parts
- **Precision Fit:** Designed to fit the specifications of a huge range of OEM machines, helping to ensure proper fit and installation, better handling, longer life and excellent ride quality
- **Increased Durability:** Forged metal pieces are stronger than commonly used cast iron and can lead to longer track life
- **Superior Design:** Continuously wound cables and other design elements reduce vibrations, eliminate weak spots and increase strength and flexibility minimizing down time
- **Freight Savings:** Orders over \$1,000 qualify for free freight for all standard programs
