

# PLATFORM TOP RAIL EXTENSIONS ACCESSORIES

## INCREASE OPERATOR PROTECTION

Top Rail extensions help to improve operator safety by allowing the operator to maintain a grip on the platform top railing while creating a buffer space between the operator's hand and objects outside the platform.

## FEATURES & BENEFITS INCLUDE:

- Low mounting provides unobstructed work area above platform
- Provides protection on all sides of the platform
- Increased operator protection
- Available for a variety of platform sizes
- Eligible towards free economy freight on orders over \$1,000

\*Rail extensions highlighted gray for images, actually orange in color
