

1644/1732 ATTACHMENTS

ATTACHMENTS

Keep Your Options Open With A Variety of Attachments

A wide variety of attachments delivers outstanding versatility. Select telehandler attachments are industry-specific, making them more efficient when handling heavy materials in that industry.

Features

- Attachments specifically designed to work with the JLG® 1644 and JLG® 1732 high capacity telehandlers
- Increase job site versatility with options including carriages, buckets and more

Visit Online Express® (Service Menu, Machine Control Software) to download electronic load charts. Reference part numbers:

1644 - 1001233430
1732 - 1001233431
