

HEAVY DUTY PIPE RACKS

ACCESSORIES

CONSERVE SPACE AND CREATE A SAFER ENVIRONMENT

Maximize platform space and reduce trip hazards by storing the materials on the outside of the platform. Increase productivity by allowing more materials to be carried to the work area. Heavy duty pipe racks help keep your tools and materials organized and within reach. An ideal accessory for plumbing, electrical and sprinkler contractors.

FEATURES AND BENEFITS:

- Fits 19 mid to large scissor models
- Rack capacities vary from 200 lbs up to 850 lbs depending on model
- Highly versatile
- Adjustable mounting clamps allow for various rail heights
- Adjustable straps to accommodate various material
