

QUALITY CHEMICAL PRODUCTS

JLG offers a full line of chemical products for use in the shop, on service trucks, or for retail display. Through a collaboration with CRC® Industries, this program provides a range of commonly used chemical solutions to support maintenance needs and potential retail opportunities. These products can help support day-to-day shop operations while also offering an option for over-the-counter sales.

FEATURES AND BENEFITS:

- Supports retail opportunities - create customer loyalty
- Great for the display/showroom
- Outfit your shop and/or service truck
- Cost-conscious
- Great add-on to service contracts
