

CORNER TOOL TRAY ACCESSORIES

ORGANIZE YOUR TOOLS SAFELY INSIDE THE PLATFORM

Help to keep your JLG Mobile Elevating Work Platform (MEWP) tidy and free of trip hazards with a low-cost corner tool tray. The corner tool tray mounts simply and folds down easily for a quick, convenient solution to platform organization.

Features and benefits include:

- Designed to keep tools and components within arm's reach
- Ideal for maintenance activities
- Fold down to stow away when transporting or when extra platform space is needed
- Interchangeable across machines and models
- Can be installed in any open corner of the work platform
