

PANEL CARRIER KIT

TRANSPORT MATERIALS EASILY

You don't need to clutter your platform with drywall, plywood or sheet rock. With the factory-approved panel carrier, you can load panels outside the rails in the carrier tray from where it is easier to transfer the panel to its elevated installation site.

FEATURES AND BENEFITS

- Mounted outside the platform for easy loading and unloading panels
- Adjustable top bracket to accommodate various size panels
- Maximum panel size 8' x 4'
- Rated work load up to 200 lbs on slab scissors and 500 lbs on rough terrain scissors (Dependent upon model)
