**JLG**®

# TELEHANDLER OFFERINGS

Our tires deliver a proven mobility solution for telehandlers operating in severe environments by balancing optimal productivity and machine utilization with operator safety and comfort. The net result- no downtime and reduced operating cost- ensuring maximum value for your money.

- Non-Marking and Heavy Duty options available
- All assemblies are directional.
- Direct ship-from our regional distribution network
  - Bedford, PA
  - Dallas, TX
  - Denver, CO
  - Omaha, NE
  - Phoenix, AZ
  - Rome, GA
- Inventory reports or additional machine fitments can be obtained through the JLG Contact Center or your Aftermarket District Sales Manager

Features with JLG's Solid Solutions Designs	Benefits for Your Customers
Proprietary rubber compounds, with highly elastic natural rubber and heavy-duty construction.	<ol style="list-style-type: none"><li>1. Resists "chunking", a typical occurrence with telehandlers that leads to premature failures</li><li>2. Outlasts pneumatic tires by up to 8x</li><li>3. Ensures superior value ratio (function vs. cost)</li></ol>
Unique aperture structures around circumference of entire sidewall (round and concave triangular-shaped for 28" sizes)	<ol style="list-style-type: none"><li>1. Improved cushioning for a better ride for man and machine</li><li>2. Improved heat dissipation in a severe environment, ensuring better stability and safety</li></ol>
OEM approved and specified on new equipment; compatible fitments for a wide range of machines.	<ol style="list-style-type: none"><li>1. 100% confidence in specifying the right solution</li><li>2. Significant aftermarket for replacements, with proven solution that delivers peace of mind for end users.</li></ol>
Solid tire construction, ready to bolt to your machine.	<ol style="list-style-type: none"><li>1. No downtime = 100% uptime, for lower operating costs and customer satisfaction</li><li>2. Delivers optimal productivity and machine utilization for ROI and value</li></ol>

OEM Compliant · Popular Fitments · Durable & Long-Lasting · No Downtime · Lower Costs · Solid Solution
