

WORKSTATION IN THE SKY

ACCESSORIES

MAXIMIZE THE PRODUCTIVITY OF YOUR ES SCISSOR LIFT

Turn your JLG® ES Scissor Lift into a highly productive work tool with Workstation in the Sky®. Designed to integrate the tools and supplies you use everyday directly into the platform to conserve space and provide freedom from ground-based equipment. You will save time and money with better organization, faster set-up and improved efficiency on the job. Optimize your platform space by holding number tools off the floor and all within arm's reach.

Features and Benefits:

- Includes 8x20 workbench
- Removable workstation accomodates a full range of power tools and components
- Keeps tools organized and always within reach
- More room to work
- Eliminates tripping hazards
- Factory approved accessories
