

TELEHANDLER ATTACHMENTS COMPETITIVE PARTS

JCB® COMPARABLE REPLACEMENT ATTACHMENTS

JLG offers high-quality, cost-effective attachments comparable to JCB standard attachments. These telehandler attachments provide a reliable replacement solution backed by JLG support.

FEATURES AND BENEFITS:

- High quality, cost effective telehandler attachments
- Access to JLG Support
- Interchangeable with JLG Telehandlers

Note: Dimensions and interchangeability with JCB parts and machines are not guaranteed. Always review the serial tag before use, as weight and capacity may differ from JCB load charts.
