

3' PLATFORM ACCESSORIES

3' PLATFORM NOW AVAILABLE

JLG boom lifts can be equipped with a 3' platform. The smaller platform allows workers to access work areas with limited space where traditional platforms can't fit.

Features and Benefits:

- 30 x 36" platform dimension
- Allows for more precise navigation between steel, concrete support structures and many other tight space applications
- Ideal for a variety of applications including:
 - Construction or repair of bridges
 - Between spires in a chapel
 - Ideal for industries and applications such as:
 - Petrochemical plants or refineries
 - Cogeneration facilities
 - Stadiums
 - Convention centers
