

BOOM WORK LIGHT KITS

ACCESSORIES

INCREASE VISIBILITY IN ALL LIGHTING CONDITIONS

The job doesn't always end when the sun goes down, and production and safety depend on being able to see the surroundings. JLG developed, factory-approved light installation kits are specifically designed for JLG boom lifts. The kit provides all you need to install a factory quality lighting system to your existing machine.

Features and Benefits:

- Increased visibility in low lighting conditions
- One part number to provide everything necessary to properly equip machine
- Detailed instructions for quick and simple installation
