

PLATFORM GLAZIER KITS

Attachments and Accessories

AFTERMARKET PARTS

SkyGlazier® is the first and only factory-approved glass and panel tray. It utilizes industry leading capacity to help you get materials to the work site. All while improving productivity, reducing operator fatigue, and protecting panels from damage.

Workstation in the Sky® Series Glazier Package

- Specifications
 - Maximum Material Size: 32 ft² (3 m²)
 - Maximum Wind Speed: 20mph (32kph)
- Tray Dimensions on T350/T500J
 - Length: 48 in. (1.22 m)
 - Width: 6 in. (15.2 cm)
- Tray Dimensions on all other approved models
 - Length: 72 in. (1.83 m)
 - Width: 6 in. (15.2 cm)

Due to the shift in the center of gravity caused by the tray installation the capacity combinations are required for factory approval. Removing the tray restores original machine capacity specifications.

Model Usage: E/M600/J/JP, 400S, 460SJ, 450A/AJ Series II, 510AJ, 600A/AJ, 600S, 660SJ, 600SJC, 800S, 800A/AJ, 860SJ, 1200SJP, 1250AJP, 1350SJP, 1500SJ
